<p><i>Under the federal immigration act, by signing an 'Undertaking of Sponsorship' the sponsor agrees that adequate food, clothing, housing and incidental living needs will be provided to the person(s) sponsored for the length of the sponsorship agreement. The Ministry of Municipal Affairs and Housing considers a monthly income at least equal to provincial maintenance programs an adequate income to meet these expenses. While sponsorship is in effect, sponsored tenants will have their rent geared to an income at least equal to provincial social assistance rates.</i></p> <p><i>I/we, the undersigned, agree to guarantee sponsorship as described above.</i></p>
