

## Are you on the waiting list for the new Regent Park buildings?

There are three new map numbers for the new Toronto Community Housing buildings in Regent Park. These buildings do not have any new vacancies but you can use these map numbers to apply to be on the waiting lists for the buildings.

### **The map numbers for the new buildings are:**

- Map #605 - 252 Sackville Street
- Map #606 - 246 Sackville Street
- Map #607 – 1 Oak Street

### **If you are already on the waiting list for North/South Regent Park:**

Housing Connections has added you to the waiting lists for the new Regent Park buildings that you qualify for. You do not need to contact Housing Connections to be added to the waiting list for the new buildings.

You will see the new buildings listed on your *Housing Choices Report*. You can review your housing choices by logging into your [application online](#).

### **Do you want to be on the waiting lists for the new Regent Park buildings?**

If you are not currently listed for North/South Regent Park and you want to be on the waiting list for the new Regent Park buildings, you should add the map numbers above as housing choices on your application.

### **Do you want to be on the waiting list for all buildings in Regent Park?**

If you want to be listed for the other Regent Park buildings, you will also need to add North (map #254) and South (map #253) Regent Park to your application.

### **Here's how to view and update your housing choices:**

- log in to your application online at [www.housingconnections.ca](http://www.housingconnections.ca) if you have your application number and password
- use the housing listings online to choose where you want to live, then call 416-981-6111 to use the automated telephone system (with your application number and P.I.N.) or speak to a representative

- complete the *Adding/Deleting Housing Choices* form and submit it to Housing Connections
